

GOING GREEN THIS HOLIDAY SEASON

The festive season has arrived, and this year HMC is celebrating with some exciting and far-reaching initiatives including the YES program aimed at taking control of our community's energy consumption. We've also partnered with organizations such as Tree City USA, hosted numerous community cleanups, and made the switch to LEDs in our communities as well as offices.

Our families and yours can reflect the joy of the holidays in your home while also focusing on safety and energy conservation. As you contemplate commitments for the new year, consider making a difference in your community. One impactful step is switching your holiday lights to LED. By doing so, you can reduce energy consumption by up to 90% compared to using incandescent lights. It's a small change that yields significant positive effects for both your community and the environment. LEDs are more efficient, last much longer, and produce less heat, so your home is safer. You can save even more by using LED lights on a timer.

During this season of thankfulness and generosity, consider contributing to the future of us all by living consciously.

COMMUNITY ANNOUNCEMENTS

Decorate Safely

Decorating is one of the best ways to get in the holiday mood, but emergency rooms see thousands of injuries involving holiday decorating every season.

When decorating follow these tips:

- Keep potentially poisonous plants – mistletoe, holly berries, Jerusalem cherry and amaryllis – away from children.
- If using an artificial tree, check that it is labeled “fire-resistant”.
- If using a live tree, cut off about 2 inches of the trunk to expose fresh wood for better water absorption, remember to water it, and remove it from your home when it is dry.
- Place your tree at least 3 feet away from fireplaces, radiators, and other heat sources, making certain not to block doorways.
- Avoid placing breakable ornaments or ones with small, detachable parts on lower tree branches where small children can reach them.
- Only use indoor lights indoors and outdoor lights outdoors, and choose the right ladder for the task when hanging lights.
- Replace light sets that have broken or cracked sockets, frayed or bare wires, or loose connections.
- Follow the package directions on the number of light sets that can be plugged into one socket.
- Never nail, tack, or stress wiring when hanging lights, and keep plugs off the ground away from puddles and snow.
- Turn off all lights and decorations when you go to bed or leave the house.

Watch Out for Fire-Starters!

UPCOMING CLOSURES

Our office will be closed December 23rd in Observance of Christmas. We will reopen Tuesday December 26th with normal business hours.

Trash pickup will be Friday, December 29th.

IMPORTANT EVENTS

5 Days of Christmas Giveaways!

Celebrate the Holiday Season with Robins Family Housing! Residents will have an opportunity to participate in our trivia contest to win one of our daily prizes. This event runs from December 18th, 2023, through December 22nd, 2023, daily. Open to only on-base Robins Family Housing Residents. One prize per household.

Cookies and Hot Cocoa

Enjoy delicious holiday cookies and hot cocoa with your Robins Family Housing Team. Join us at the Robins Family Housing Welcome Center on December 15th, 2023, from 4:00 PM to 6:00 PM. Open to only on-base Robins Family Housing Residents. While supplies last.

EMPLOYEE SPOTLIGHT

Marissa Ivery

Hi, my name is Marissa Ivery, and I was born and raised in Georgia, where we are known for peaches, pecans, and sweet tea. I enjoy being outdoors and doing things like hiking, zip-lining, and horseback riding. I am excited to begin my career at Hunt Communities.
